

Chairman's Report Annual Town Meeting 2014

Last year Sir Peter reported the difficulty of chairing with our clerk, Maddie, having been off sick for 2 months. This situation continued for another 8 months and I must thank all the people who helped me through this period. We had the temporary assistance of Diane Linsey, Anne Chapman and Heather Heelis and her daughter, as well as the help of our caretaker, Judy Chesterfield, and all the Councillors.

We have had 2 changes of Councillor during the year. I would like to thank former councillors Joe Cassels and Graham Cooke for their contributions and welcome new councillors Louise Hailey and Lyn Jardine.

We have been working on the play areas this year and purchased new equipment.

Things are now getting back on track with Maddie's return and I'm pleased to announce that we've now taken on a new assistant, Imogen Green, who is already proving invaluable.

John Fisher, 28th April 2014
