

Chairman's Report Annual Town Meeting 2015

Last year I reported that we had had the clerk off long-term sick. I'm pleased to say that this year the clerk and her assistant, Imogen Green, have made very good progress in getting things back on track. In particular, Imogen puts a lot of effort and research into maintaining a very good council website.

Council activities tend to take years rather than months but I hope we will be getting the Memorial Field and adjacent play area will be drained soon.

We are also making good progress towards the purchase of the police station to use as a council office and information centre. However, it is likely that we will be sharing the accommodation with the police in the short term which will limit the use we can make of it.

As we are in an election year and some councillors won't be standing again I'd like to extend special thanks to all the councillors for their support over the year.

John Fisher, 2015
