

SHAPE

SAXMUNDHAM'S

FUTURE

Be involved with

THE NEIGHBOURHOOD PLAN

WHY: Our town is growing and changing. We all need to ensure that these changes are positive and make our town a great place to live, work and visit.

HOW: A Neighbourhood Plan sets out the local community's vision for the future of their town. It identifies the priorities for future development including those for housing, business use, community facilities and infrastructure.

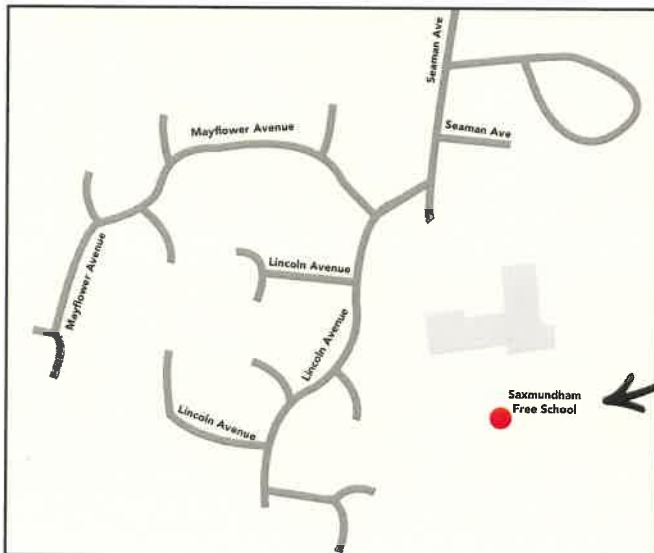

WHO: Saxmundham Town Council has initiated the development of the Neighbourhood Plan. To make the plan effective it requires the involvement of everyone living in Saxmundham. The final plan will belong to the community and a local referendum vote will be required to approve it.

WHAT Advantages will it provide? The finished plan will form part of the statutory planning framework for the area. Its policies and proposals will be used when decisions are to be made regarding development for Saxmundham. It cannot go against the District Council's Local Development Plan but it can influence the type and siting of any development within the town's boundaries. In return the community will be able to access an additional level of funding from the Community Infrastructure Levy to use for beneficial projects.

WHERE: You are invited to the:

**SAXMUNDHAM NEIGHBOURHOOD PLAN
PUBLIC MEETING**

Saturday 4th November 10.00am to 12 noon
At the Saxmundham Free School, Seaman Avenue
